10A The Vineyard (NLT)

From the railway station, turn left up the High Street, walk past Tesco on the left and then turn left up the alley adjacent to the right side of Tesco. Keep the church on your right and then cross the road and walk up Halford Road (opposite). About 100yds after the dog-leg (double bend), turn right into The Vineyard and our gates are about 50yards on the right. Ring the bell.
